

# WHAT DOES THE INSIDE OF THE MASTERMIND LOOK LIKE

## FIRST THING FIRST.

You have a 1:1 with Dannielle or one of our strategy coaches. During this session we will go through your materials. Everything in your private google drive folder and then lay out your main goals for the first 90 days; as well as all of the priorities leading up to that goal.

## THE BUSINESS SUITE

You will have access to the resource business suite that is packed with tools to help you grow your mindset, money mindset, operations, systems, creativity, vision and mission. As well as social media. ideal client and growing your audience.

## GROUP COACHING SESSIONS

You group coaching calls will happen weekly with Dannielle and our expert coaches. These coaches will be teaching, help you plan and grow based on experience, knowledge and what they have learned. You will have a call schedule as well as notifications of when the calls happen.

## THE VIRTUAL RETREAT

Our virtual retreat is where we have guest coaches as well as our main coaches teach on specific areas that will benefit you and your business. We often ask what you need before had as well as paying attention to anything we see that is coming up. We want to ensure this event is an ignition for your business and adds to what you are currently working on.

## WHAT DOES THE INSIDE OF THE MASTERMIND LOOK LIKE

### SLACK

You will have 24'7 access to our private slack channel which you can have on your phone or desktop as an app. You are able to communicate with Dannielle and other coaches on the inside of this.

### CONTENT FEEDBACK

You can ask for feedback on things like, sharable content, websites, email sequences, workshop/webinar preparation. We want to see your highest level of success and so we support you through content and messaging.

## TRUST

When you come into the mastermind program, we do ask for a level of trust. Not just in us, but in yourself. The will to trust the process and that you will figure it out because you have access to all that is needed.

We have everything here to be a successful creative business owner and you have the capability, skill and will to make it happen.
